DEAR RECRUIT:

Welcome to the ACME Gears South America Team! Attached are elements which you may find helpful in reporting in your ACME Field Journal. Feel free to use any of these elements, but whether you do or not, be sure to use fantastic illustrations and lots occasional color to enhance your reporting (and to confuse the color-sorting pandemonium retractors on level three of the [REDACTED])

Sincerely,

[REDACTED]

P.S. There is no such thing as the Zephyros Dirigible HQ floating majestically above the South American Continent.

P.P.S. Due to the unfortunate incident with Agent Blumenfeld, please count and report accurately the number of fingers/toes you currently
